

# FUSION PMC SUN-FILLED SUMMER

Brighten up your summer with these sun-filled tips and ideas!

- As vaccinations roll out and all of our favorite places continue to re-open, be sure to keep an eye out for free events such as live music, outdoor movie nights, sports and more. Social media and city websites are a great place to look.
- Taking a vacation? Think about a road trip so you can stop and explore places you've never been.
- Keep cool at night by changing up your bedding to include lighter materials such as cotton, linen or silk.
- On those hotter days, close your windows and blinds to keep the sun and warm air from coming in. Use a fan or air conditioner to cool down.
- Are you a pet owner? Don't forget that any time you take your furry friends outside to keep them leashed and well hydrated.
- Throw away those dusty fake plants and bring in new life with a live one. Plants come in all shapes and sizes with low light and high light varieties available.
- Avoid using your stove or oven when you're trying to keep your apartment cool. Try a toaster oven or microwave instead.
- Homemade popsicles are easy and versatile. With so many options you could have a new flavor every day! Try adding different fruits and juices to keep it on the healthier side. Visit [LiveEatLearn.com](http://LiveEatLearn.com) for ideas!
- Don't forget the sunscreen! Remember, even if it is cloudy, sunscreen is a must when outdoors.
- Kick back, relax and enjoy the sun!

## HOLIDAY HOURS

All Management Offices will be closed:

- Memorial Day
  - Monday, May 31
- 4th of July Weekend
  - Friday 7/2/21 -
  - Sunday 7/4/21

## RESIDENT REFERRALS

Friends make the best neighbors! Refer a friend and if any lease and move in to your community you can receive money towards your rent!

Contact your leasing office today for availability and details.

# HOW TO USE A FIRE EXTINGUISHER

Pull out the safety pin

Aim the nozzle at the base of the fire

Squeeze the lever

Sweep the nozzle from side to side

Your new fire extinguisher is being installed under your kitchen sink. Don't wait until an emergency to learn! The PASS Method is an easy way to remember.

## REMEMBER P.A.S.S.

**P = POINT**

**A = AIM**

**S = SQUEEZE**

**S = SWEEP**

As COVID shutdowns are ending and the "new normal" is emerging, we want to remind everyone that annual rent increases are being implemented in line with state and local guidelines.

## FUSION SUSTAINABLE LIVING GUIDE

Our Sustainable Living Guide is a critical component of our environmental, social and governance strategy. Here you will find tips for your apartment, daily living, pet care and much more. Designed to help you save both money and the planet, and includes additional resources with creative ideas to contribute.
